Special features:Beautiful professional graphics The plot is based on a classic novel.. 1v10 Well, I gotta admit it's practically impossible to "translate" this E A Poe's novel nor in a movie neither in a game.. I like the explorative nature of walking simulators, but this game consists of walking back and forth the same unchanging room until text happens.. Go read the actual story or listen to an audio version of it, don't waste your time or money with this. e10c415e6f
